As a follow-up to my note below from yesterday evening, I'm sending you an updated version of the SFIREG slides, that I intend to use for the Reg. 7&8 meeting (please let me know if you have any additional tweaks to the SFIREG deck that you want for the Reg 7&8 slides). Please review this version instead of the one I sent yesterday evening (@4:44pm. See the comments panel for updates.

For the Region 7&8 meeting, I'm also sharing Rebecca Perrin's email (attached) in case you didn't see it. She said the meeting may end at 10:45am as appose to later in the day. Ed - if that's the case, do you want to take an earlier flight? You're ticket has you leaving at 4:55pm on the 7<sup>th</sup>. I talked to Rebecca yesterday evening and she said Jake is leaving on a 1:00pm flight.

I made a few additional updates to the attached SFIREG slides and would like your feedback again (show the comments pane). I'd like to make any additional revisions prior to my General on Thursday evening, since I'm out on Friday and next week. So let me know if this is looking close to what you want for SFIREG. Once we have a final version, I can create the Reg. 7&8 slides. Cindy had someone from her branch work on the attached Updates (Word file). Do you want to include these at the end of the slides? Also, I'm still waiting on RD to provide any background info similar to what they sent for Rick's NC visit (see attached email).

I'd appreciate any feedback. Thanks.

**Subject:** Ed's Slides for Region 7&8 State Dept. of Ag. Meeting

Hi everyone,

As Ed mentioned during the OPP Weekly yesterday, he's scheduled to give program updates at SFIREG (Dec. 5<sup>th</sup>) and the Region 7&8 State Depts. of Ag meeting (Dec. 7<sup>th</sup>). In preparation for these presentations, he's asking for the following information specific to the states in Regions 7&8:

- Any pending actions (i.e., Sec. 18s or 24cs)
- Any Reg 7&8 states restricted from using Dicamba?
- Approved and pending C&T plans in Regions 7&8
- Any other state-specific issues, interests, kudos, etc.?

Region 7 states (IA, KS, MO, and NE)

Region 8 states (CO, MT, ND, SD, UT, and WY)

Thanks for your assistance. **Please send me this information by noon on Thursday, December 1<sup>st</sup>.**
